SIR:

PETITION FOR EXTENSION OF TIME

Applicants hereby request a further month extension of time to the final office action dated May 29, 2002. An Amendment After Final was filed on October 29, 2002, and included a petition to extend the response date by two months. The Advisory Action of November 19, 2002 indicates that the Amendment After Final has not been entered, and so this petition is being filed with a Request for Continued Examination to extend the response period by one further month from October 29, 2002, to November 29, 2002. A check in the amount of \$520 (\$920 - \$400 already paid) is enclosed.

Respectfully submitted,

Melvin A. Robinson (Reg. No. 31,870)
